

WHAT TO DO IN THE EVENT OF A BREAK-IN...

First report the break-in to the police!

We recommend having locks/lock systems that are possibly damaged exchanged as quickly as possible!

If you require a new key or a new lock, please fill in the "Key ordering" form provided on our website and send it to us via email (office@arealis.at) or by mail to the address of AREALIS Liegenschaftsmanagement GmbH.

Then inform your household insurance about the damage or losses incurred and also clarify possible issues. If general parts of the house are affected, we ask you to notify the property manager responsible for this real estate object (the name of this contact person can be found in the last invoice).
